

Mc Erik And Barbara, You Can't Stop

You can't stop, make your body movin'
You can't stop, baby you gotta know
You can't stop, let the music groovin'
You can't stop, I'm ready to go (come, come, follow me)

Can't stop, better move your body, don't wanna be lazy
Me with the microphone gonna make a people crazy
We and our friends wanna make a big party
So don't stop the music and let's go start

You can't stop, you can't stop this music
You can't stop, you can't stop this music
You can't stop, you can't stop this music
You can't stop, you can't than we gonna loose
You can't stop, you can't stop this music
You can't stop, you can't stop this music
Mister DJ, don't stop the music
You can't stop

Execute digital transfer
This is a much better music from a Slovak dancestyle
Yes, MC Erik and Barbara
Come

Can't stop, some big power's given me the energy
I can't explain it, you must try, you can't it imagine
It's no drugs, no cigarettes, on a party this have no place
Some homie T-shirt, some homie jeans, some homie shoes
and ...

Yes, I wanna make one big party
Don't stop the music and let's go start
I feel better, I feel good with all my friends
We drink some juice and all night just dance.
Yes.
