

Mc5, Miss X

Oh now Yeah Yeah, hey, hey, hey, hey, yeah
yeah I, I, I, I, I
See you lyin' here
You're so close
You're so near

Causing sensations rollin' through me
Comes on strong, feels just like a spell
Sensations rollin', turnin' from me to you
Causing this aura of heat to swirl

Your lips
Your undulating hips
Squeeze me oh so tight
Fulfill me through the night

Causing sensations rollin' through me
Comes on strong, feels just like a spell
Sensations rollin', turnin' from me to you
Causing this aura of heat to swirl

Yeah
Comes on strong
Yeah baby, baby, baby, baby, baby
Comes on strong
Don't you know my blood is raging
Comes on strong
Darling, darling, darling, darling
Comes on strong
I'm tired of all my failings
Bring me close and burn, burn, burn, ha !

Heat gives way to sweat
My body's soaking wet
We slide and slip
From hip to lip

Causing sensations rollin' through me
Comes on strong, feels just like a spell
Sensations rollin', turnin' from me to you
Causing this aura of heat to swirl

Yeah, yeah, yeah, yeah
Oh baby, baby
You'll always make me hot
Come on and gimme all you got

Yeah
Yeah, Yeah I, I, I, I, I
Yeah, yeah I, I, I, I, I, I, I, I, I, I, I, I, I, I, I
Yeah, yeah, yeah, yeah
