

# McGruff, Many Know

Come on ungh ungh hit em phat what  
Come on just like that ungh yo yo

I sip on x-o  
Collect dough  
Leave your whole block wetto  
Bust out my glock gecko  
Got you petro hold your heart and don't let go  
Meet your doom as soon as that heat go boom  
Gun slinga relay only on one finger  
The one that's itchie your son hit me  
I wan't my gun wit me they got harlem world like gun city  
Y'all know who dumb gritty  
Y'all know who come wit the glicky  
For fun strickly  
Front you'll get stung quickly  
Pistol whipped up you know what's next if you get up  
I did it in what mapped the join an hid in the cut  
An after that black slid wit yo slut an nigga what

(chorus-heavy d)  
Many niggas know that we be fly  
Harlem workd baby do or die  
Swimmin in tha chocha we be high  
Niggas can't see us so why try

Yo aiyo gruff hot  
Cd sell like drug spot  
Mouth weedy smell  
Eyes blood shot  
Buc pop look at feds takin mug shots  
Real niggas move swift na ta duck cops  
You know how we go  
Play tha lelo in montego(pause)bay  
Puff dro head all day moet all day  
Sweat all day  
Ain't nothin changed still got my ghetto ways

I'ma be gruff even when I'm dead or gray  
Do my thing in hip-hop  
Get this bread off yay  
Keep my wolves wit me might have ta let off spray  
So niggas better watch what you said or say  
Or pass away  
So called bad niggas won't last a day  
Wit gruff baby  
A.k.a. cashius clay mister leagal  
Check my record in the three two  
Bct who dat he be me

(chorus)

Yeah yo release hatred  
Release favorite  
Picture gruff walk da streets naked  
My dessert eagle be diesel niggas fiebel  
Yo money when you get some evil  
I live illegal bust hot ones get rid of people  
Cats don't learn frontin and there gat don't burn  
You talkin myth stylin wit a big fo fifth  
Son yo soft and never did your gun go off  
Keep it real for all my guns up north  
Gruff lenox harlem world 139 f\*\*kin lenox

Buck relentless till they put me up in bentess  
Funeral home squeeze put two in your dome  
Ever since I was young  
I was influenced wit chrome now I smoke haze  
Reminisce of broke days sippin on that old lemon  
Twist an roseay's get publishin  
Screw when the coke raise  
Use to ball keys now I collect raw tee's  
What nigga

(chorus x4)
