

McLusky, Hidden Track

Married life in prison is a lottery
Conditions are dickensian at best
Celebrate animals celebrate animals
Standing in the corner like you've pissed yourself

Try and tell these people who they're dealing with
All those guys are 57th dan
Celebrate animals celebrate animals
Standing in the corner like your girlfriend's dead

Selling out is down to opportunity
Reviewing the reviewers in her sleep
Celebrate animals celebrate animals
Standing in the corner like your girlfriend's dead

Let's pretend your wallet-chain is functional
Obscurity is not a f**king badge
Celebrate animals celebrate animals
Standing in the corner like your girlfriend's dead
Like your girlfriend's dead
