

McLusky, Icarus Smicarus

get back in your hole, get dead, son
get back in your hole, get bent
crawl under a rock and get lost, boy
crawl under a rock, get fucked

get out of those shoes and grow wings, dear
get out of those shoes and grow wings

fall over yourself and break heads, kid
fall over yourself and break heads
crawl out of your skin takes time, pal
crawl out of your skin takes time

get out of those shoes and grow wings, dear
get out of those shoes and grow wings
