McLusky, Lucky Jim

one line one lucky lucky jim she needs to be the story at the centre of the blast but all i wanted was a chance to get away since 1987 she's been living in my ass and her instincts are like anyones instincts

fight the fear of failure fight the fear of future failure fight the fear of failure 'cos jim you can do anything

lucky lucky jim she needs to be the story at the centre of the blast but all i wanted was a chance to get away since 1987 she's been living in my ass and her instincts are like anyones instincts

fight the fear of failure fight the fear of future failure fight the fear of failure 'cos jim you can do anything

half way up the stairs is a good mouse

lucky! lucky! jim! jim! 'cos you can do anything!
