

# Me And My, Dub-I-Dub

Chorus:

Dub-i-dub-i-dub-i-dub-dub-dub

Dub-i-dub-i-dub-i-yeah-yeah

Dub-i-dub-i-dub-i-dub-dub-dub

I don't need your love

Dub-i-dub-i-dub-i-dub-dub-dub

Dub-i-dub-i-dub-i-yeah-yeah

Dub-i-dub-i-dub-i-dub-dub-dub

I don't need your love anymore

I don't need you here by my side

No more, no no

And when I feel your love deep inside

I will forget, oh yeah

So don't you dare come knocking on my door

When you need someone to hold

'Cause every door and window is closed

I can live, live without your love

Chorus

You left me, you went away

Yeah yeah yeah yeah

And now you say you're back to stay

No way, no way

So don't you dare come knocking on my door

When you need someone to hold

'Cause every door and window is closed

I can live, live without your love

Chorus

Love is cold, yeah

I don't need your

Love is cold, yeah

Chorus
