

# Me First And The Gimme Gimmes, Don't Cry For

It won't be easy, you'll think it's strange  
When I try to explain how I feel  
I still need your love after all that I've done  
You won't believe me  
All you will see is a girl you once knew  
Although she is dressed to the nines  
At sixes and sevens with you

Don't cry for me Argentina  
The truth is I never left you  
All through my wild days, my mad existence  
I've kept my promise, don't keep your distance

I had to let it happen, I had to change  
Couldn't stay all my life down at heel  
Looking out of the window, staying out of the sun  
So I chose freedom  
Running around trying everything new  
But nothing impressed me at all  
I never expected it to

Don't cry for me Argentina  
The truth is I never left you  
All through my wild days, my mad existence  
I've kept my promise, don't keep your distance

Have I said too much  
There's nothing more that I can think of to say to you  
(Nothing more to say to you)  
But all you gotta do is look at me  
To know that every word is true

Oh don't cry for me Argentina  
The truth is I never left you  
All through my wild days, my mad existence  
I've kept my promise, don't keep your distance  
I've kept my promise, don't keep your distance
