

# Me First And The Gimme Gimmes, Harder They Come

Well they tell me up up high up in the sky  
waitin for me when i die  
between the day your born and when you die  
they never seem to hear it in your cry

so its sure that the sun will shine  
im gonna get my share now whats mine  
and the harder they come the harder they fall one and all  
oo the harder they come the harder they fall one and all

well the opposites are tryin to keep me down  
trying to drive me underground  
they think that they've got the battle won  
say forgive them for they know not what they've done

for its sure that the sun will shine  
im gonna get my share now whats mine  
and then the harder they come the harder they fall one and all  
Yeah the harder they come the harder they fall one and all

and ill keep on fighting for the things i owed  
though i know when your dead you come  
but id rather be a free man in my grave  
living as a puppet or a slave

so its sure that the sun will shine  
im gonna get my share now whats mine  
and the harder they come the harder they fall one and all  
and the harder they come the harder they fall one and all  
oo the harder they come the harder they fall one and all  
Yeah
