

# Me'Shell Ndegeocello, Soul Searchin' (I Wanna K

Don't nobody hold me  
Don't nobody Kiss me  
Nobody  
Come caress my saddened heart  
My sunrise and my darkest dreams  
All my hostility's tamed  
When you Kiss me  
Come into my darkened room  
Come  
Where I'm waiting  
I'm waiting here just to please you  
All I want is you  
All I want is you  
To Love me  
Come on, so don't bring me down  
All I want is you  
All I want, is you  
Come on  
So don't bring me down  
All I want is you to Love me  
Come on  
So don't bring me down  
All I want is you  
Don't nobody hold me  
Don't nobody Kiss me  
The way you do  
Nobody  
No  
Don't nobody hold me  
Don't nobody Kiss me  
The way you do  
Nobody  
Not a day goes by  
That I don't burn for you  
I find myself yearning for the heaven  
That you bring me from your black hands  
Touch me  
Touch me  
I want to feel you inside me  
All I want is you  
All I want, is you  
To Love me  
Yeah  
All I want is you  
All I want is you  
So don't bring me down  
Come on, come on  
Come on, come on, come on  
All I want is you  
Come on  
So don't bring me down  
To Love me  
Don't bring me down  
All I want is you  
Come on, don't bring me down  
All I want, is you  
Don't nobody hold me  
Don't nobody Kiss me  
The way you do  
Listen when I'm talkin'  
Yeah  
Nobody  
Don't nobody hold me  
Don't nobody Kiss me

The way you do  
Nobody  
Don't nobody hold me  
Don't nobody Kiss me  
The way you do  
Nobody  
Don't nobody hold me  
Nobody  
Don't nobody Kiss me  
The way you do  
No, nobody  
Nobody  
So you finally came  
I've been waiting here for hours  
Kiss me  
Just waiting  
Come inside me  
I have something for you  
Kiss me  
Kiss me  
Come inside me  
Shhh  
Come into my darkened room  
Come here  
Where I'm waiting  
Come inside me  
To please you  
No, let me do that  
Kiss me  
Come inside me  
Kiss me  
Why must I wait?  
Come into my darkened room  
Where I'm waiting  
Waiting  
To please you  
Kiss me  
Come inside me  
Kiss me  
Just a little while longer  
Kiss me  
Kiss me  
Yesssssss  
Come into my darkened room  
Please  
Where I'm waiting  
Please  
To feel you  
I don't know  
Kiss me  
So you want to know if It's your's  
Touch me  
I shouldn't have to say  
You should feel It  
Come here  
Mmm  
Don't nobody  
Don't nobody  
Shhh  
Don't nobody Kiss me  
Shhh  
Kiss me.
