

# Me'Shell Ndegeocello, The Heather Hunter Theme

Nah baby  
Keep the lights on  
You make me feel so good  
Like that, hmm  
You make me feel so good  
So good, so good  
You make me feel so good  
You make me feel so good  
Me  
Feel  
So good, so good  
Must admit you often  
Cross my mind  
Yeah  
Can't help myself  
Think about you all the time  
So very  
Beautiful  
Yes, you are  
Just the thought of you  
Make me feel  
So  
Good  
You make me feel so good  
So good  
You make me feel so good  
So good, so good  
You make me feel so good  
Yeah baby, right there  
You make me feel so good  
So good, so good  
My sweet baby  
Ooh baby, baby  
Can't you see?  
That everytime you're close to me  
You make my heart stop  
Stop stop  
Stop  
Come here  
Just the thought of you  
You make me feel so  
Good  
You make me feel so good  
So good  
You make me feel so good  
So good, so good  
You make me feel so good  
You make it feel so good, baby  
You make me feel so good  
Me feel  
So good, so good  
Baby  
You make me feel so good  
You make me feel so good  
You make me feel so good  
I just wanted to  
You know  
You make me feel so good  
Watch you for a little while  
'cause you're so  
So beautiful  
So  
So brown, and round  
Mmm

?  
Just wanna  
Get  
Be a little closer  
?  
Just get a little closer baby  
Don't stop  
It's alright  
Yeah  
So, so good baby  
Mmm, yeah  
So good baby  
Mmm, yeah  
Mmm, my sweet baby  
Damn, you're funky cato.
