If you use me well, I can be your slave

Out of control

Out of control

Out of control

Hey get up

Hey get up

Hey get up

Hey get up

I am Electro

I am Electro

My brain is bigger than yours

I am Electro

I am Electro

I am Electro

I am Electro

Out of control

Hey get up

Hey get up

Hey get up

Hey get up

I am Electro

Out of control (hey get up)

Out of control

Out of control (hey get up)

Out of control

Out of control (hey get up)

Out of control

Out of control (hey get up)

Out of control
