

Meat Loaf, Don't You Look At Me Like That

I still dream of you wakin' up, openin' your eyes
Like a little girl I once knew
Walkin' to the window, lookin' down on the street
You walk with me, and I walk with you

Well I thought it all over, it doesn't make any sense
Why did it fall apart, when it seemed so innocent?
You and I were like a light from a fallen star
You can't go back, you can't run away from your heart

[Chorus:]

Don't you look at me like that, 'cause I fall all over again
And I just can't hold on to your love anymore
Don't you look at me like that, 'cause I start all over again
And it just can't be, like it was once before

Don't stand there in the rain, lookin' like some long lost angel
You and I were like a light from a fallen star
You can't go back, you can't run away from your heart

Don't stand there in the rain, lookin' like some long lost angel
(No, I never could turn away from you)

[Chorus]
