Meat Loaf, Hot Patootie (Whatever Happened To

Whatever happened to Saturday Night
When you dressed up sharp and you felt alright
It don't seem the same since cosmic light
Came into my life, I thought I was divine
I used to drive around with a chick who'd go
Listen to the music on the radio
A saxaphone was blowing on a rock 'n' roll show
You climbed in the back seat
Really had a good time

Hot Patootie - Bless my soul I really love that Rock and Roll Hot Patootie - Bless my soul I really love that Rock and Roll Hot Patootie - Bless my soul I really love that Rock and Roll Hot Patootie - Bless my soul I really love that Rock and Roll I really love that Rock and Roll

My head used to swim from the perfume I smelt My hand's kinda fumbled with her white plastic belt I'd taste her baby pink lipstick and that's when I'd melt She'd whisper in my ear tonight she really was mine Get back in front put some hair-oil on Buddy Holly was singing his very last song With your arms around you girl you try to sing along You felt pretty good Really had a good time

Hot Patootie - Bless my soul I really love that Rock and Roll Hot Patootie - Bless my soul I really love that Rock and Roll
