

Meat Loaf, I Love You, So I Told You A Lie

Everytime I hear your name you know
I wonder why you wanted to go
I said no you couldn't come along for the ride
I said hey, I want outta here and nobody taggin behind

{chorus}
Don'tcha know I love you so I told you a lie
I love you so I told you a lie when I told you goodbye

A family life and a lovin wife just ain't my kinda scene
Well when I'm all alone, when the nights are cold
I get to thinkin I was kinda mean
We coulda had a good thing but I never wanted to try

{chorus}
You know I told you a lie

solo

A family life and a lovin wife just ain't my kinda scene
Well when I'm all alone, when the nights are cold
I get to thinkin I was kinda mean
We coulda had a good thing but I never wanted to try

{chorus}
You know I told you a lie when I told you goodbye
