

Meat Loaf, Is Nothing Sacred

If a love as strong as ours
Couldn't make it all the way,
Can anything make sense at all?

If a love so deep and true
Couldn't stand the test of time,
Then mount everest could slide,
And jeruselem could fall.

Is nothing sacred anymore?
Is forever just another word?
Is a promise something people used to keep
When love was worth fighting for?

If we can say good-bye,
If we can say good-bye,
Is nothing sacred anymore?

If we can say good-bye
Is nothing sacred anymore?

I can hear the final words
Every sentence that was said
Don't know what turned our lives around.

It doesn't matter who was right,
There's no justice in a dream.
Never thought a heart could break
Without making any sound.

Is nothing sacred anymore?
Is forever just another word?
Is a promise something people used to keep
When love was worth fighting for?

If we can say good-bye,
If we can say good-bye,

Is nothing sacred anymore?

If we can say good-bye
If we can say good-bye
Is nothing sacred anymore?

Our love was as certain as the dawn,
As solid and save as any love could be.

Our love was the star you wished upon,
And you thought that i saved you,
Could've sworn that you saved me.

Is nothing sacred anymore?
Is forever just another word?
Is a promise something people used to keep
When love was worth fighting for?

If we can say good-bye,
If we can say good-bye,
Is nothing sacred anymore?

Is nothing sacred anymore?
Is forever just another word?
Is a promise something people used to keep
When love was worth fighting for?

If we can say good-bye,
If we can say good-bye,
Is nothing sacred anymore?

If we can say good-bye,
If we can say good-bye...

Is nothing sacred anymore...
Is nothing sacred anymore...
Is nothing sacred anymore...
