Meat Loaf, Paradise By The Dashboard Light

[Boy:]

I remember every little thing
As if it happened only yesterday
Parking by the lake
And there was not another car in sight
And I never had a girl
Looking any better than you did
And all the kids at school
They were wishing they were me that night

And now our bodies are oh so close and tight It never felt so good, it never felt so right And we're glowing like the metal on the edge of a knife Glowing like the metal on the edge of a knife C'mon, hold on tight C'mon, hold on tight

Though it's cold and lonely in the deep dark night I can see paradise by the dashboard light

[Girl:]

Ain't no doubt about it we were doubly blessed 'Cause we were barely seventeen And we were barely dressed

[Both:]

Ain't no doubt about it
Baby got to go out and shout it
Ain't no doubt about it
We were doubly blessed

[Boy:]

Cause we were barely seventeen And we were barely dressed

Baby don'cha hear my heart
You got it drowing out the radio
I've been waiting so long
For you to come along and have some fun
And I gotta let you know
No you're never gonna regret it
So open up your eyes, I got a big surprise
It'll feel all right
Well I wanna make you motor run

And now our bodies are oh so close and tight It never felt so good, it never felt so right And we're glowing like the metal on the edge of a knife Glowing like the metal on the edge of a knife C'mon, Hold on tight C'mon, Hold on tight

[Both:]

Though it's cold and lonely in the deep dark night I can see paradise by the dashboard light Paradise by the dashboard light

You got to do what you can And let Mother Nature do the rest Ain't no doubt about it We were doubly blessed 'Cause we were barely seventeen And we were barely We're gonna go all the way tonight We're gonna go all the way And tonight's the night

[Radio Broadcast:]

OK, here we go, we got a real pressure cooker going here Two down, nobody on, no score, bottom of the ninth There's the wind-up, and there it is A line shot up the middle, look at him go This boy can really fly He's rounding first and really turning it on now He's not letting up at all, he's gonna try for second The ball is bobbled out in the center And here's the throw and what a throw He's gonna slide in head first Here he comes, he's out No, wait, safe, safe at second base This kid really makes things happen out there Batter steps up to the plate Here's the pitch, he's going Amd what a jump he's got He's trying for third Here's the throw It's in the dirt, safe a third Holw cow, stolen base He's taking a pretty big lead out there Almost daring them to pick him off The pitcher glances over, winds-up and it's bunted Bunted down the third base line The suicide squeeze is on Here he comes, squeeze play, it's gonna be close Here's the throw, here's the play at the plate

[Girl:] Stop right there

I gotta know right now

Before we go any further

Holy cow, I think he's gonna make it

Do you love me Will you love me forever Do you need me Will you make me so happy For the rest of my life Will you take me away And will you make me your wife Do you love me Will you love me forever Do you need me Will you make me so happy For the rest of my life Will you take me away And will you make me your wife

I gotta know right now Before we go any further Do you love me Will you love me forever

[Boy:] Let me sleep on it Baby, baby let me sleep on it Let me sleep on it And I'll give you an answer in the morning Let me sleep on it Baby, baby let me sleep on it Let me sleep on it And I'll give you an answer in the morning

Let me sleep on it Baby, baby let me sleep on it Let me sleep on it And I'll give you an answer in the morning

[Girl:]
I gotta know right now
Do you love me
Will you love me forever
Do you need me
Will you make me so happy
For the rest of my life
Will you take me away
And will you make me your wife
I gotta know right now
Before we go any further
Do you love me

And will you love me forever

[Boy:]
Let me sleep on it
Baby, baby let me sleep on it
Let me sleep on it
And I'll give you an answer in the morning
Let me sleep on it

[Girl:] Will you love me forever

[Boy:] Let me sleep on it

[Girl:] Will you love me forever

[Boy:]
I couldn't take it any longer
Lord I was crazed
And when the feeling came upon me
Like a tidal wave
I started swearing to my god
And on my mother's grave
That I would love you to the end of time
I swore I would love you to the end of time

So now I'm praying for the end of time
To hurry up and arrive
'Cause if I gotta spend another minute with you
I don't think that I can really survive
I'll never break my promise or forget my vow
But God only knows what I can do right now
I'm praying for the end of time
So I can end my time with you

[Boy:]
It was long ago and it was far away,
And it was so much better than it is today.

[Girl:] It never felt so good, It never felt so right

And we were glowing like the metal on the edge of a knife.
