

Meat Puppets, Love Our Children Forever

we love, that's why we're here
oh yes, we hold you all so dear
and now this one's for you
a love offering for your ears
our fans hold us in highest esteem
faithful, that's how it seems
and now straight from our hearts
a love offering, so bold so new
(it never stops, it never starts)
oh yes, it's for sure my life's call
entertaining for folks short and tall
you've been so kind for all these years
we'll never be able to repay you all
(how can I hold back the tears?)
