

Meat Shits, Eat My Fuck

No rest for your weary cunt
Secretions of your lust
I shoot my cum I gush
You suck me... eat my f**k

Eat my f**k
Get down - you suck
Eat my f**k
Get down - you slut
And eat my f**k

I bend your will I must
Fill your ass with my thrust
I cut your flesh and spunk
You lick me... eat my f**k

Eat my f**k
Get down - you suck
Eat my f**k
Get down - you slut
And eat my f**k

Bitch you are my wet dream
Hurting you makes me cream
Close your eyes I hear you scream
I kill you ... eat my f**k
I kill you ... eat my f**k

Defecating corpse on my cock
Spew blood and shit in shock
All women should suck my cock
You are dead ... eat my f**k

Eat my f**k
Get down - you suck
Eat my f**k
Get down - you slut
And eat my f**k

Suck me
F**k me
Eat my f**k
You will fry
You will die
Eat my f**k
