

Meat Shits, Surgically Removed Vagina

My bizarre collection is not yet complete
I need more piss flaps -

Time to take a night on the town now
I need more piss flaps -

Finding a slut alone picking her up
I need more piss flaps -

Killing the f**king bitch behind her back
I need more piss flaps -

First I cut off your piss flaps
And then I lick up the bloody sap

Dissect the vulva it is so cool...
Makes me so excited I shit out a stool
