

Medicine, Beneath The Sands

Waiting are you waiting
Time is wanting
Underwater
Waiting are you waiting
For the hands to slip
Beneath the sands and
Pull you from your bed

Standing in the corner
You are waiting
Underwater
Standing in the corner
You can never know what
Hands will find you
Lying on your side

Laughing are you laughing
Time is bending
Underwater
Laughing are you laughing
Gently push the spine
Beneath the sands and
Hide it from you eyes

Laugh beneath the sand...
