

Meduza, Sleep

Our hearts were made as one
Perpetual love, why did you have to die?

I held you tight and said "loved one do not be afraid"
Just close your eyes and dream

Sleep forever in my arms
Our love, it never had a chance
A dream was all we had, you and I

They were blind, they could not see
That you and I, we were meant to be

I held you tight and said "loved one do not be afraid"
Just close your eyes and dream

Sleep forever in my arms
Our love, it never had a chance
A dream was all we had, you and I

(SOLO)

I held you tight and said "loved one do not be afraid"
Just close your eyes and dream

Sleep forever in my arms
Our love, it never had a chance
A dream was all we had, you and I

Sleep forever in my arms
Our love, it never had a chance
A dream was all we had, you and I

Sleep, just close your eyes and dream
Death is not what it may seem
