

# Mega NRG Man, Raising Love

People and place with people

I've been loving for a lifetime  
I've been singing just for you  
Nothing's better than a good rhyme  
Saves my love when I'm blue

People and place with people  
Living and dancing around  
Feeling alright when I sing for you  
Anywhere its all that I do

Raising love for my heart  
(I've gotta feel it)  
Raising love from the start  
(I've gotta leave it)  
I've got the beat tonight  
(I've gotta beat it)  
Tell me tomorrow's another day

Raising love for my heart  
(I've gotta feel it)  
Raising love from the start  
(I've gotta leave it)  
I've got the beat tonight  
(I've gotta beat it)  
Tell me tomorrow's another day

Wanna let you know I'm sorry  
If I ever was that good  
Giving you all I could

People and place with people  
Living and dancing around  
Feeling alright when I sing for you  
Anywhere its all that I do

Raising love for my heart  
(I've gotta feel it)  
Raising love from the start  
(I've gotta leave it)  
I've got the beat tonight  
(I've gotta beat it)  
Tell me tomorrow's another day

Raising love for my heart  
(I've gotta feel it)  
Raising love from the start  
(I've gotta leave it)  
I've got the beat tonight  
(I've gotta beat it)  
Tell me tomorrow's another day
