

Megadeth, Bullprick

Pounding in my teeth
Hydraulics on the move
Kicking in my face
Savage bucking mule

Pummeling my soul
100 tons of lead
Trampled under foot
Steamrollers on my head

Crushing down, caving in
my will to live
I'd rather be dead
scream insane
To have the bullprick
split their guts
Make them pay make them bleed
On your back, in your face
Down your throat, up your ass
Bullprick

Pulverizing flesh
broken bones the aftermath
Can't escape the war
the war machine path

All become one
flattening the streets
Cry for absolution
splitting at the seams

Crushing down, caving in
my will to live
I'd rather be dead
scream insane
To have the bullprick
split their guts
Make them pay make them bleed
On your back, in your face
Down your throat, up your ass
Bullprick
