Megadeth, FFF

Looking for a cure within the human race
Eliminate the poor, how much longer will it take
Burning up the tents of the rank and file
Exterminate their lives, crack a demon smile

Crushing down, caving in our will to live
Getting rid of man's mistakes
To take a lost life, lock it up, break it down
How much more can we take

Fight for freedom, fight authority
Fight for anything, my country tis' of me

Cry for absolution, it's not the end for me
A last minute pardon, one final reprieve
Resist the war maching, don't get in its path
Fight to die a free man and reap the aftermath

Crushing down, caving in our will to live
Getting rid of man's mistakes
To take a lost life, lock it up, break it down
I don't know how much more I can take

Fight!... It's my country
