

Megadeth, Five Magics

Bestow upon me magic
Wizard - all knowing all wise
I want to rule this kingdom
Make sweet the breeze now defiled
Dethrone the evil prince's iron fists
In velvet gloves of sin
Parade the grey robed monks
The vestal virgins, wheel the wyvern's in
Let the ceremony consecrate the marriage
Let me be the protege
Of five magics
Give me Alchemy
Give me Sorcery
Give me Wizardry
Thermatology
Electricity
Master all of these
Magic if you please
Bring him to his knees

I master five magics x5

Possessed with hellish torment
I master magics "5"
Hunting the abyss lord
Only one will stay alive
He who lives by the sword
Will surely also die
He who lives in the sin
Will surely live the lie
