

# Megadeth, I'll Get Even

I'm lonely and abandoned  
Washed up, left for dead  
I'm lost inside the desert  
Of every word you said

Like a nuclear reactor  
Or TNT  
I'm thinking about the times  
When you lied to me

All the innuendo  
Caught up on your hook  
I was just a name  
In your little black book

I'll get even with you

I'm bitter and I'm twisted  
I haven't slept in days  
I'm lonely and I'm angry  
I can't make it go away

I'm like a bomb that's ticking  
I got voices in my head  
I got a doll with needles in  
Wishing you were dead

I'll get you back somehow  
That's what I'm gonna do  
I'll get you back somehow  
Your nightmare's coming true

I'll get even with you  
That's what I'm gonna do  
Gonna get even with you

You better look behind you  
'Cause there I'm gonna be  
I'll be standing in the shadows  
With who I used to be

He's slightly schizophrenic  
Me and me and me and me agree  
That you are gonna pay  
For what you did to me

I'll get even with you  
Gonna get even with you  
Ah, that's what I'm gonna do  
I'm gonna...  
I'll get even with you
