Megadeth, Mary Jane

Forgive me father for I have sinned I'm a child of the air, I'm a witch of the wind And I'm still awake... Mary Jane

From the earth, up through the trees I can hear her calling me Her voice rides on the breeze Oh, it's haunting me

No, I can't get away No, there's no escape If I know I'm going crazy I must not be insane

Beware my friends, as you pass by As you are now so once was I As I am now so you must be Prepare my friends to follow me

Forgive me father for I have sinned I'm a child of the air, I'm a witch of the wind Fingers gripped around my brain No control, my mind is lame I'm in the astral plane, and I'll never be the same Never, never, never, never, never Never, never, never

Beware my friends, as you pass by As you are now so once was I As I am now so you must be Prepare my friends to follow me

It hurts so bad I can't breathe Prepare to follow me
