

# Megadeth, Psychotron

Assasin in stealth  
Assailant from hell  
Impervious to damage  
Computer on-board  
Engaged in a war  
Non-stop combatant  
Maybe not a mutant, maybe a man

Part bionic  
And organic  
Not a cyborg  
Call him psychotron

Burning inside  
Godspeed in glide  
Battle plan running  
A killing machine  
Just downright mean  
And forever gunning  
Maybe not a mutant, maybe a man

Part bionic  
And organic  
Not a cyborg  
Call him psychotron

Target to destroy  
Arms in employ  
Full assault fire threat  
Sensors indicate  
You will terminate  
Life systems disconnect

Part bionic  
And organic  
Not a cyborg  
Call him psychotron
