

Megadeth, The Scorpion

My life is everything
That feeds my thirst that causes sin
My wants are all I care
No shame or guilt, there's nothing there
Look deep into my face
I sell deceit without a trace
Fear not what I can do
Unless you want it done to you
Oh oh!

As I climb onto your back, I will promise not to sting
I will tell you what you want to hear, and not mean anything
Then I treat you like a dog as I shoot my venom in
You pretend you didn't know that I am the scorpion
Oh!

My self I'm centered in
There's nothing else, there's never been
And I dream, to be left alone
With the sadness, the madness of my own
Look deep into my soul
It's black as coal like a bullet hole
Fear not, get off your knees
There's no defense, you'll do what I please
Oh!

As I climb onto your back, I will promise not to sting
I will tell you what you want to hear, and not mean anything
Then I treat you like a dog as I shoot my venom in
You pretend you didn't know that I am the scorpion
Oh!

As I climb onto your back, I will promise not to sting
I will tell you what you want to hear, and not mean anything
I will treat you like a dog as I shoot my venom in
'Cause you knew all along that I am the scorpion, ya!

My lies, to reach the shore
I aggrandize and nothing more
My hopes, to steal away
All that you love, I'll soon betray
Look deep into my past
The pain I deal is unsurpassed
I'm not a lowly scorpion
I'm so much worse; I'm the fall of man
