Let me see it, let me see it

That "S&quot; up on my chest, 'cause, bitch, that's where I'm from (South)  
In your nigga face 'cause that's where I wanna cum, uh  
My man ain't scared of nothin' (Nothin'), I dare a nigga to test him (Baow)  
As far as he know, when we fuck, he been went to Heaven (Ah)  
I drive that nigga crazy (Crazy), I think he need some help (Uh)  
When I go overboard, my side niggas split the bill (Ah, ah)

[Chorus]

Is you gon' spend or you here to window-shop? Let me see it  
All that ass make a nigga spin the block just to see it  
Can you dance or that's just for TikTok? Let me see it (Baow)  
If you're lookin' for a real pimp, baby, let me be it (Man), uh

[Verse 2]

Bitch, that ain't your trick (Huh?)  
You and that nigga in love (What?)  
I don't play none of them games, he don't get conversation outside of the club (Boy, bye)  
Bitches swear they pimpin' (What?)  
A nigga'll call them, they come  
Since when a ho tell a pimp what to do?  
Bitch, you ain't pimpin' enough (Ayy)  
Stop playin' like I'm one of these lame-ass, square-ass, trick-ass hoes  
And I keep on all of these diamonds, everything I drop go platinum and gold (Uh)  
I tell that nigga, "Don't leave (Don't leave), you better off with your dick"  
You come over here and I promise I'm doin' you worse than you do that bitch (Uh)

[Chorus]

Is you gon' spend or you here to window-shop? Let me see it  
All that ass make a nigga spin the block just to see it  
Can you dance or that's just for TikTok? Let me see it (Baow)
