

Meganoidi, Wasteland

I'm coming over to you
because I wanna see
what is left to do
that's why I'm coming over to you
what is left to do
everybody knows
just one thing
I don't think I will trust you anymore
what if I was
a bad bad guy
what if you were
a pretty cool girl
now we'll never know
unless we try
but one thing I'm sure of
I won't see you again

chorus
I feel exhausted tonight
cause I've been trying all day
to snap you out of your pain
but you don't realize
that you are the main reason
for all the madness
which is surrounding your daylight

Tell me one more thing
can you see me laughing
maybe I'm wrong
but I didn't get your joke
you could've been braver
definitely more fun
but just one thing
I don't think I will trust you anymore

chorus

I'm coming over to you
now listen to what I'm saying
just one thing
I don't think I will see you again
no more

I feel so blistful tonight
as our two worlds part
and I am easy in my thoughts
I feel so peaceful tonight
cause I'm moving away
far away from your wasteland
