

Meghan Trainor, Breezy (ft. Theron Theron)

Take your worries up off your mind
Leave your stress and your pain behind
We can't afford to waste no time
After every storm the sun gon' shine
And you and I gon' be fine
Everything will be alright
Baby boy, let me drive
Try to enjoy the ride

And when you see clouds
Cover your skies
Be patient and watch as they pass you by
Don't lose no sleep
Repeat after me
"I'm cool as can be"

Baby, I'm breezy (Ooh-ooh-ooh-ooh)
Baby, I'm breezy (Ooh-ooh-ooh-ooh)
Baby, baby, baby
Baby, I'm breezy (Ooh-ooh-ooh-ooh)
No, I don't let the raindrops ruin my day
Baby, I'm breezy

Nuff love and respect for me people
Treat everybody equal
I know yeit for nobody nuff lovin' ah we heart
It can be dat simple
Everything cool and sekkle sekkle (Yes)
Make you feel so comfortable (Yes)
Ah you no have a be miserable (Now)
Ah you much sweetest vegetable (Wow)
Know if we keep it breezy
Life can be so easy
Stick with me, don't leave me
Dis a good vibe season, yeah

Baby, I'm breezy (Ooh-ooh-ooh-ooh)
Baby, I'm breezy (Ooh-ooh-ooh-ooh)
Baby, baby, baby
Baby, I'm breezy (Ooh-ooh-ooh-ooh)
No, I don't let the raindrops ruin my day
Baby, I'm breezy

Just be grateful that you woke up
Put that happiness in your cup
We made another year around the sun
So, let's celebrate with some love

When you see clouds
Cover your skies
Be patient and watch as they pass you by
And don't lose no sleep
Repeat after me
I'm cool as can be

Baby, I'm breezy (Ooh-ooh-ooh-ooh)
Baby, I'm breezy (Ooh-ooh-ooh-ooh)
Baby, baby, baby
Baby, I'm breezy (Ooh-ooh-ooh-ooh)
No, I don't let the raindrops ruin my day
Baby, I'm breezy

Oh
