Meghan Trainor, Close Your Eyes

Everybody is on the same page No new chapters Will never change

Everybody wants to be cool Yes they do I'm just like them But I won't be no fool

I guess I could waste all me time and my money Just trying to look right But it doesn't change who I am in my heart if I look like them

So I want you to close your eyes Seem to the world tonight And show them what's beautiful I don't care what they think No I'm not listening Cause I know I'm beautiful So close your eyes

Show them what's beautiful Gonna' show them... Show them what's beautiful Show them what's beautiful

Everybody is bang to be different That's the one thing that makes us the same So don't let you them hurt change me make you into something you ain't

So I want you to close your eyes Seem to the world tonight And show them what's beautiful I don't care what they think No I'm not listening Cause I know I'm beautiful So close your eyes

Show them what's beautiful Gonna' show them... Show them what's beautiful Show them what's beautiful So close your eyes Show them what's beautiful

Show the world the you inside Raise your voice and close your eyes Cause you are beautiful

So I want you to close your eyes Seem to the world tonight And show them what's beautiful I don't care what they think No I'm not listening Cause I know I'm beautiful So close your eyes
