

Meghan Trainor, Drama Queen

I might be a drama queen
But I'm still royalty
So won't you love me, love me, love me and give me loyalty
Even when I'm crazy
I'm still your baby
'Cause you're the king of lovin' me and I'm your drama queen

I had a dream you cheated on me
You told me that you were leavin', honey
And that's why I'm mad, boy
Yeah, that's why I'm mad, boy
I didn't mean to call you those names
The way I love you makes me go insane
But it's all out of love (It's all out of love)
It's all out of love

I might be a drama queen
I'm still royalty
So won't you love me, love me, love me and give me loyalty (Gimme, gimme)
Even when I'm crazy (Even when I'm crazy)
I'm still your baby (Your baby)
'Cause you're the king of lovin' me and I'm your drama queen
So go and kiss the ring

Go ahead, kiss it, if you wanna
A good love like this, then you gotta
Go ahead, kiss it, if you wanna
A good love like this

I'm in the ER for paper cuts
And I cry from Pixar way too much
But you wipe my tears for me
You're always here for me

Even when I get a little loud
Best thing to do is just wait it out
'Cause it's all out of love (It's all out of love)
(Uh-huh) it's all out of love

I might be a drama queen (Might be a drama queen)
I'm still royalty (I'm royalty)
So won't you love me, love me, love me and give me loyalty (Gimme, gimme)
Even when I'm crazy (Even when I'm crazy)
I'm still your baby (Your baby)
'Cause you're the king of lovin' me and I'm your drama queen
So go and kiss the ring

Go ahead, kiss it, if you wanna
A good love like this, then you gotta
Go ahead, kiss it, if you wanna
A good love like this (Come on, baby)
Go ahead, kiss it, if you wanna
A good love like this, then you gotta
Go ahead, kiss it, if you wanna
A good love like this

Darlin', you love all the drama
'Cause you're never bored
I'm forever yours
Darlin', you love (Now, darlin', you love all the)
All the drama (All the drama, 'cause you're)
'Cause you're never bored
I'm forever yours

Go ahead, kiss it, if you wanna
A good love like this, then you gotta
Go ahead, kiss it, if you wanna
A good love like this (Well, come on, baby)

Go ahead, kiss it, if you wanna
A good love like this, then you gotta
Go ahead, kiss it, if you wanna
A good love like this

Darlin', you love
(Might be a drama queen)
All the drama
(A drama queen)
'Cause you're never bored
I'm forever yours
