

Meiko, Fever

Never know how much I love you
Never know how much I care
When you put your arms around me I get you fever that's so hard to bare
You give me fever when you kiss me
Fever when you hold me tight
Fever in the morning
Fever all through the night
Sun lights up the daytime and the moon lights up the night
I light up when you call my name and you know I'm gonna treat you right
You give me fever when you kiss me
Fever when you hold me tight
Fever in the morning
Fever all through the night
Everybody's got the fever
It's a something you all know
Fever isn't such a new thing
Fever start long ago
Everybody's got the fever
It's a something you all know
Fever isn't such a new thing
Fever start long ago
You give me fever when you kiss me
Fever when you hold me tight
Fever in the morning
Fever all through the night
You give me fever when you kiss me
Fever when you hold me tight
Fever in the morning
Fever all through the night
What a lovely
What a lovely
What a lovely way to burn
What a lovely
What a lovely
What a lovely way to burn
What a lovely
What a lovely
What a lovely way to burn
What a lovely
What a lovely
What a lovely way to burn
What a lovely
What a lovely
What a lovely way to burn
