Meiko, Fever

Never know how much I love you

Never know how much I care

When you put your arms around me I get you fever that's so hard to bare

You give me fever when you kiss me

Fever when you hold me tight

Fever in the morning

Fever all through the night

Sun lights up the daytime and the moon lights up the night

I light up when you call my name and you know I'm gonna treat you right

You give me fever when you kiss me

Fever when you hold me tight

Fever in the morning

Fever all through the night

Everybody's got the fever

It's a something you all know

Fever isn't such a new thing

Fever start long ago

Everybody's got the fever

It's a something you all know

Fever isn't such a new thing

Fever start long ago

You give me fever when you kiss me

Fever when you hold me tight

Fever in the morning

Fever all through the night

You give me fever when you kiss me

Fever when you hold me tight

Fever in the morning

Fever all through the night

What a lovely

What a lovely

What a lovely way to burn

What a lovely

What a lovely

What a lovely way to burn

What a lovely

What a lovely

What a lovely way to burn

What a lovely

What a lovely

What a lovely way to burn
