

# Meiko, Said And Done

This song is going to you  
The one who's so confused  
The one who feels so used  
You don't have to wait  
For all this silly fate  
For things you cannot make

Hey,  
What are you going to say?  
What are you going to do  
When it's all said and done?

I watched you from afar  
Wishing on every star  
Saving every penny  
And I used to feel the same  
Like everything's a game  
But all I kept doing was losing

So hey,  
What are you going to say?  
What are you going to do  
When it's all said and done?

Hey,  
What are you going to say?  
What are you going to do  
When it's all said  
When it's all said and done?
