

Meiko, Said And Done

This song is going to you
The one who's so confused
The one who feels so used
You don't have to wait
For all this silly fate
For things you cannot make

Hey,
What are you going to say?
What are you going to do
When it's all said and done?

I watched you from afar
Wishing on every star
Saving every penny
And I used to feel the same
Like everything's a game
But all I kept doing was losing

So hey,
What are you going to say?
What are you going to do
When it's all said and done?

Hey,
What are you going to say?
What are you going to do
When it's all said
When it's all said and done?
