

Meital Dohan, On Ya (ft. Sean Kingston)

Why gotta unwind fun time
When she go, when she hit the floor
She get down and she blows my mind
All the dudes in the club they lookin' at her
But she on my time
I'm on, I'm hot, I hit the jackpot
Cause shorty is a dime
Whoa!
Rose buckets unfroze.
Whoa!
So I think it's time we go,
Got bottles and models,
We turn it up,
Tell the dj we own the club.
Girl don't stop till you get enough
Cause I ain't gonna stop till I get enough
Girl you need to be with Kingston
Drop top fun time when the sun come
Were rude boy, yeah, we're number one
So hand's up, hand's up when the hook come
Girl you need to be with Kingston
Drop top, fun time when the sun come
Were rude boy, yeah, we're number one
Don't stop, don't stop till the hook come

I wanna be on a ya
On ya, on ya (hey!)
I wanna be on a ya
On ya, on ya (hey!)
Whoa, whoa (hey!)
whoa, whoa (hey!)

Why be so mad about the things that other people have?
How long do we try to keep climbing we already in the sky?
Turn my speakers up, roll my windows down.
I don't know where I'm headed but I'm bout to scoop you now

We ham, we ham
All up in this whip we goin' ham, we ham
/3x

Girl you need to be with Kingston
Drop top, fun time, when the sun come
Were rude boy, yeah, we're number one
So hand's up, hand's up when the hook come
Girl you need to be with Kingston
Drop top fun time when the sun come
Were rude boy. yeah. we're number one
Don't stop, don't stop till the hook come

I wanna be on a ya
On ya, on ya (hey!)
I wanna be on a ya
On ya, on ya (hey!)
Whoa, whoa (hey!)
whoa, whoa (hey!)
