

# Meja, Radio Radio

In this town there's so many stations  
tune is the one  
that feels right for you  
When you feel a little lonely, yeah  
when you're feeling sad  
I'm here to prove  
that ain't that bad  
Because

I am your radio  
I sing you a song  
Radio, radio  
I song you a song  
If you're willing to turn on me

Zapping and searching  
creating vibrations  
until you find your own  
freaked out frequency

When you feel a little lonely, yeah  
when you're feeling sad  
I'm here to prove  
that ain't that bad  
Because

Repeat

Radio, radio  
You're my radio
