

# Mekon, Please Stay

If I got down on my knees and I pleaded with you  
Not to go but to stay in my arms  
Would you walk out the door like you did once before?  
This time be different please stay  
Don't go

If I called out your name like a prayer  
Would you leave me alone in my fear  
Knowing I need you so, would you still turn and go?  
This time be different please stay  
Don't go please stay

I loved you before I even knew your name  
And I wanted to give you my heart  
So you came back after leaving me one time  
Oh I knew, oh how I knew  
That the heartache would start

If I called out your name like a song  
Which was written for you and you alone  
Would you still hurt my pride  
Baby yeah till I cried  
This time be different please stay  
Don't go please stay

You know I'll always love you darling  
Please stay don't go  
Please stay
