

Mel B, I Believe

I believe in my baby
Our love will always be (I believe in my baby)
I believe in my baby (ah yeah)
Our love will always be, yeah yeah yeah (say it, say it, say it again)
Now here come to me
Just when I thought
That no one had no kind of love for me
My aching heart was restless
Hopelessly deceived
You came along and made it
Easy to believe in love again
I believe in my baby (ah yeah)
Our love will always be (say it again)
I believe in my baby
Arms of an angel
Shield me with protection
And you show me that you care
I say it loud and proud
That I ain't goin' nowhere
You made my house a home
And now I do believe in love again
I believe in my baby
Our love will always be
I believe in my baby (I do)
Our love will always be, yeah yeah yeah
Secrets all unfold
There's nothing left unspoken
From the heart you and I know
Everything about each other
We just let it show
To be or not to be
That's what you said to me
We gonna get it started now
Living out our fantasy
Cos I believe
I believe in my baby (my baby)
Our love will always be (say it, say it, say it again)
I believe in my baby (I do)
Our love will always be, yeah yeah yeah (I believe in my baby)
Ah yeah
Say it, say it, say it again
I believe in my baby
Our love will always be (I believe in my baby)
I believe in my baby (ah yeah)
Our love will always be, yeah yeah yeah (say it, say it, say it again)
Cos I believe
I believe in my baby (my baby)
Our love will always be (say it, say it, say it again)
I believe in my baby (I do)
Our love will always be, yeah yeah yeah
I believe in my baby
Our love will always be
I believe in my baby
Our love will always be, yeah yeah yeah
