

Mel B, Stay in Bed Days

1,2

1,2,3,4

Just put on my makeup

And sip the happy tea

Try to start the day

But it's too freaky for me

Hide under the covers

Switch from a to b

Acting kinda crazy

Yeah, this works for me

Don't start me off, not today

Cos i don't really care

I wanna scream, are you hearing me

I'm having a bad day

Is this me, is this what i'm really like

Is this me, why can't i say something nice

Is this me, or is this one of those

Stay in bed days (stay in bed days)

Stay in bed days (stay in bed days)

Stay in bed days (stay in bed days)

Stay in bed days (stay in bed days)

I'll deal with things tomorrow

So please just let me be

I'm running out of patience

Don't you dare bother me

I ain't doing nothing

But tearing out my hair

Thousand stupid meetings

I ain't going nowhere

What's the point, no time to waste

With smiles for you today

I wanna scream, are you hearing me

I'm having a bad day

Is this me, is this what i'm really like

Is this me, why can't i say something nice

Is this me, or is this just one of those

Stay in bed days (stay in bed days)

Stay in bed days (stay in bed days)

Stay in bed days (stay in bed days)

Stay in bed days (stay in bed days)

Am i in misery (no)

Do i need therapy (no)

Have i lost it in la

Am i on top of it (yes)

Got to be positive (yes)

Okay i guess i'll stay

Is this me, is this what i'm really like

Is this me, why can't i say something nice

Is this me, or is this one of those

Stay in bed days (stay in bed days)

Stay in bed days (stay in bed days)

Stay in bed days (stay in bed days)

Stay in bed days (stay in bed days)

Stay in bed days (stay in bed days)

Stay in bed days (stay in bed days)

Stay in bed days (stay in bed days)

Stay in bed days (stay in bed days)

Stay in bed days (stay in bed days)
