

# Mel C, Be The One

The situation is getting boring  
You're not gonna spoil another day  
I don't expect you to be calling  
You're always gonna act that way

You've said those lines so many times  
I've heard it all before  
What makes you think that I will keep hangin' round for more?

(Chorus)  
If you wanna be the one  
Be the one who moves my heaven and earth  
You wanna be the one  
Be the one who shares my hunger and thirst  
You see the other ones are hanging on, ooh  
They've got nothing on you  
You wanna be the one  
Be the one, the only one

You say you're hooked on me  
But where were you last night?  
Because when you looked at me, yeah  
You couldn't hold my eye

Saying things you never mean  
It's no big surprise  
Telling me that you're the one  
I'm tired of the lies

(Chorus)  
Be the one  
Be the one who moves my heaven and earth  
You wanna be the one  
Be the one who shares my hunger and thirst  
You see the other ones hanging on, ooh  
They've got nothing on you  
You wanna be the one  
Be the one, the only one

I've got no time for bitterness  
I wanna move away from this  
I've found myself somebody  
Ooh ooh ooh

(Chorus)  
Be the one  
Be the one who moves my heaven and earth  
You wanna be the one  
Be the one who shares my hunger and thirst  
You see the other ones are hanging on, ooh  
They've got nothing on you  
You wanna be the one  
Be the one, the only one

I've got no time for bitterness  
I wanna move away from this  
I've found myself somebody  
Ooh ooh ooh
