

# Mel C, I Want You Back

Every day, in my thoughts, you're my one obsession  
Can't go on, need a fix, this is my confession  
When you're not around the nights go along  
You may be with her but with me you belong  
I am the only one, I am the only one

(Chorus)

I want you back  
Whatever you do  
I want you back  
I've got nothing to prove  
I don't care what you said  
Want you back in my bed  
I want you back  
I want you back

Can't let go, guess you know now I've blown my cover  
What I want, what I need is no other lover  
Try to deny it but you know it's true  
No-one can make you feel like you do  
I am the only one  
I am the only one.

(Chorus)

I want you back  
Whatever you do  
I want you back  
I've got nothing to prove  
I don't care what you said  
Want you back in my bed  
I want you back  
I want you back.

You can't keep running away from me  
When something feels so right then it's meant to be  
Like a dog with a bone I won't let go  
Won't let go

Try to deny it but you know it's true  
No-one can make you feel like I do  
I am the only one  
I am the only one

(Chorus)

I want you back  
Whatever you do  
I want you back  
I've got nothing to prove  
I don't care what you said  
Want you back in my bed  
I want you back  
I want you back

I want you  
I need you  
I want you  
I need you

I want you, I need you  
I want you, I need you  
I want you, I need you, ooooh
