

Mel C, I Wonder What It Would Be Like

I see you every day, I've known you for a while
You always say hello, I love the way you smile
Do you have any idea what seeing you does to me?
I can feel you look in my direction, when will you give into me?

(Chorus)

I wonder what it would be like
If we turned out the light
I wonder what it would be like
I'm longing for you, want to adore you
Who would be the first to strike
If you stayed the night?
I wonder what it would be like
To love you

Well don't you think it strange fate brought you to my side
(brought you to my side)
I was doing crunches, you were on a stationary bike
I had given up on love, I'd met too many freaks
(met too many freaks)
Ever since I was seventeen I've been on this losing streak

(Chorus)

I wonder what it would be like (what would it be like)
If we turned out the light
I wonder what it would be like (what would it be like)
I'm longing for you, want to adore you
Who would be the first to strike (who would be the first to strike)
If you stayed the night?
I wonder what it would be like (what would it be like)
To love you

You can look at someone and use your imagination
Or give in (give in), give in (give in), give in to temptation

(Chorus)

I wonder what it would be like (what would it be like)
If we turned out the light (turned out the light)
I wonder what it would be like (what would it be like)
I'm longing for you, god I adore you
Who would be the first to strike (who would be the first to strike)
If you stayed the night? (if you stayed the night)
I wonder what it would be like
To love you

I wonder what it would be like (what would it be like)
If you would hold me tight (turned out the light)
I wonder what it would be like
To love you
To love you
To love you
