

Mel C, You Taught Me

(Unreleased Melanie C song.)

You taught me how to be in love
Now I (I) just can't get enough
I just, I just can't get enough
You send me to a higher ground
Now I (I) just can't get enough
I just can't get enough

I'd given up on make believin'
I'd given up on finding love
I'd given up on my Prince Charming
I'd given up on guided love, oh

I never thought I'd find somebody
Who'd ever make me feel this way

Cos you taught me how to be in love
Just what I was dreamin of
Taught me how to be in love I can't get enough
You send me up to higher ground
You have turned my life around
Taught me how to be in love I can't get enough

I have had my share of riches
I have had my share of wealth
Mama said it would be lonely
Bein' left up on the shelf

She never knew I'd meet somebody
Who makes me feel the way you do

Cos you taught me how to be in love
Just what I was dreamin of
Taught me how to be in love I can't get enough
You send me up to higher ground
You have turned my life around
Taught me how to be in love I can't get enough, no no

And now you ar emy one and only
And I am never feelin' blue
Never feelin' blue

Cos you taught me how to be in love
Just what I was dreamin of
Taught me how to be in love I can't get enough
You send me up to higher ground
You have turned my life around
Taught me how to be in love I can't get enough, no no

You taught me how to be in love
Now I (I) just can't get enough
I just, I just can't get enough
You send me to a higher ground
Now I (I) just can't get enough
I just can't get enough
You taught me how to be in love
Now I (I) just can't get enough
I just, I just can't get enough
You send me to a higher ground
Now I (I) just can't get enough
I just can't get enough

Your love, can't get enough of your love

I just, I just can't get enough
Your love, I can't get enough of your love
I just can't get enough
Your love, can't get enough of your love
I just can't get enough
