## Mel Carter, When You're Gone

I've been wondering around the house all night wondering what the hell to do Yeah, I'm trying to concentrate but all I can think of is you well the phone don't ring 'cause my friends ain't home I'm tired of being all alone Got the tv on 'cause the radio's playing songs that remind me of you

Baby when you're gone, I realize I'm in love days go on and on, and the nights just seem so long Even food don't taste that good, drink ain't doing what it should things just feel so wrong, baby when you're gone

I keep driving up and down these streets trying to find somewhere to go Yeah i'm looking for a familiar face, but there's no one I know oh, this is torture, this is pain, it feels like I'm gonna go insane I hope you're coming back real soon, 'cause i don't know what to do

Baby when you're gone, I realize I'm in love days go on and on, and the nights just seem so long Even food don't taste that good, drink ain't doing what it should things just feel so wrong, baby when you're gone
