

# Mel Tillis, Anything's Better Than Nothing

Friends ask how I'll get along without you they say it's so sad we're apart  
(And I have to agree that I don't seem like me I'm having a ball with my heart)  
Anything's better than nothing nothing's not too much to lose  
Anything's better than nothing nothing's what I've had with you

I've got to admit that it hurt me I don't like to fight or to fuss  
(But now you and me are happy we're free everyone's crying but us)  
Anything's better than nothing...

It really must be disappointing to see love and dreams turn to smoke  
(I can't blame my friends when their teardrops begin  
I once thought that love made a home)  
Anything's better than nothing...  
Nothing's what I've had with you
